## PROFILE SUMMARY

I am a committed Computer Science student with fluency in English and a working proficiency in Amharic, with a strong interest in Cyber Security. I possess knowledge and practical experience in Python, HTML, CSS, Java, JavaScript, and C. I am a quick learner with well-developed communication and collaboration skills. In my spare time, I enjoy playing football, reading, learning new languages, and exploring mathematical concepts. I am currently seeking an internship opportunity where I can apply my skills, gain valuable real-world experience, and engage with professionals in the technology industry.
